These minutes are a general summary of the meeting and are not intended to be a verbatim transcription.

Meeting called to order by Vice Chair at 7:30 p.m.

Recognition of Guests:

Ms. Dobbin welcomed the Pickle Ball members.

Pickle ball members had requested a meeting to put forth issues concerning Pickle Ball court availability. During the special meeting of two subcommittees of the Parks & Recreation Commission, commissioners heard the concerns of the representative group from Pickleball in attendance and explained the reasons for the termination of use of the Wellness Center on Sunday nights outside of regular working hours. We also heard and discussed several requests of the group, including finding additional time for Pickleball play on weekends. The Commission and Staff indicated that each request will be considered and that we plan to respond in a timely fashion this Fall. We re-enforced that Pickleball will continue to be supported by Parks & Recreation with continued strong interest in the community.

The meeting concluded at 8:30 pm
