

**Unapproved Minutes from Parks and Recreation Commission  
March 4, 2020  
Aquatic & Programs Sub-Committee Meeting**

In Attendance P&R Commission-Sub-Committee

David Shofi, Gina Carey, Evie Bottali

Guests

Mona Thorpe, Ridgefield, CT

Meeting Called to order at 6:45pm

Minutes:

As was the case with the meeting with the other individual, David Shofi began by stating that the goal of Parks and Recreation is to provide a safe, comfortable place for all to play pickle ball. In the past, interpersonal issues have caused friction between the guest and another player.

Previously both players were put on probation subject to exhibiting better behavior. The guest, cited examples of continued interference on the part of the other player (as the other player had with this player). The commission recommended that the two players agree to play at times when only 1 party would be present. This same recommendation was made to the other player.

Motion to adjourn at 7:45pm.

Minutes Sub-Mitted:

Evie Bottali, Secretary
