Phil, Gina and Dennis will meet in November to discuss strategic plan/goals for 2022.

Old Business

No old business to report.

New Business

1. Karen and Jack Sulzinsky requested to address the Commission regarding the Martin Park Pickleball courts. The Sulzinsky's previously shared their thoughts with the Buildings & Grounds subcommittee regarding the Martin Park courts, and requested to reserve comments until after the subcommittee report.
 - Ms. Sulzinsky shared that Pickleball is creating a destructive noise situation, even when the windows are closed, and impacting their quality of life.
 - Ms. Sulzinsky confirmed their property is approximately 100 yards from the courts.
 - Mr. Kearns explained this was The Sulzinsky's time to make their comments to the Commission, but the meeting would proceed without further comment.
 - Ms. Sulzinsky said she wanted to comment/provide a reaction after the Commission decision.
 - Ms. Sulzinsky urged the Commission to relocate the Martin Park courts to an appropriate location for next season.
 - Mr. Sulzinsky expressed appreciation to the Commission for their service to the town, but said this has made life very unpleasant for us.
2. Reviewed proposed price increases for all membership levels effective December 1, 2021.
 - Gina Carey made a motion to approve an annual membership price increase of \$36 for Rec Memberships/\$48 for Wellness, Lap and All-Inclusive memberships with flexibility to the timing of when to implement. David Shofi seconded. Motion carried.

With no further business, Phil Kearns moved to adjourn the meeting at 8:14 pm. Seconded by David Shofi. Motion carried.

Next meeting is scheduled for Tuesday, November 16, 2021 at 6:30 pm via Zoom.

Attachment A

Martin Park Pickleball Noise Complaint

1. WHEREAS the addition of four (4) pickleball courts at Martin Park proved to be a carefully considered and successful solution to an underserved portion of the Ridgefield Pickleball community,
2. WHEREAS the courts were built in partnership with the Pickleball community, who were fully supportive and contributed significantly to their cost,
3. WHEREAS the courts are being used with great satisfaction by the pickleball players and has fulfilled its goal of adding to pre-existing but courts not exclusively dedicated to pickleball play,
4. WHEREAS the courts were added to an existing deeded recreation area with third party recreational services in the neighboring property in the form of a golf performance center that for many years was a public driving range and mini-golf course,
5. WHEREAS direct readings of the noise level measured as emanating from play on the courts does not approach any decibel level of concern with respect to the town ordinances,
6. WHEREAS several visits to the Martin Park site and surrounding areas by members of the Committee and staff of P&R did not find any objective qualitative or quantitative concerns for noise to justify introduction of any noise abatement options,
7. WHEREAS any possible noise abatement options would have significant cost, uncertain levels of impact on any noise and possibly questionable aesthetics,
8. THEREFORE, the recommendation of the Committee is that we as a Commission vote to not proceed to add any further limitations to the use of the pickleball courts at Martin Park but rather maintain the plans already adopted for 2021 which include modified playing hour start times and use of alternative courts for P&R lessons.
